MÓJAKADEMIK.PL

MojAkademik.pl is a dynamic network of student's dormitories offering high standard and cozy accommodation for hundreds of students. Our portfolio consists of small and medium size houses, so that the comfort and intimacy are provided on the highest possible level. Location of the dormitories in close proximity of main transportation hubs guarantees hassle free rides to and from the University and around the city. Our rooms are equipped with brand new IKEA furniture, so that we keep high level of satisfaction and low level of rotation.

We do our best to keep our tenants happy: House Administrators look after the premises and Technical Coordinators make sure that everything works smoothly.
